

# Help Out on State Natural Areas

## Belmont Prairie Workday

**Care for this remnant prairie!** Belmont is a rich prairie along an abandoned railroad. We are partnering with the UW-Platteville Reclamation Club to restore this site! Restoration efforts have focused on removing honeysuckle and other brush in the nicest areas of the prairie. We will be cutting and burning brush (if there is snow). No skills needed you will be trained onsite.

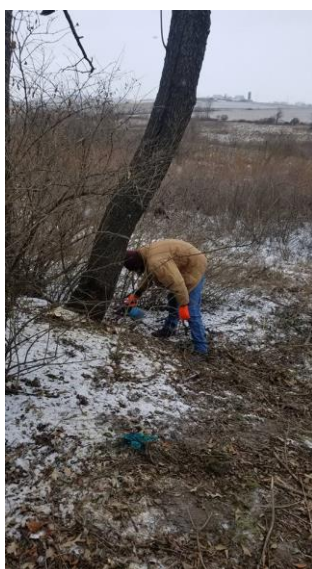

**Date:** February 17

**Time:** 9am-noon

**Directions:** Meet at the Belmont Travel Center parking lot. 102 W Mound View Ave, Belmont, WI 53510. Call Bridget at 608-434-2488 if you need help finding the group.

**What to wear:** Dress for the weather, bring work gloves and safety glasses (we will have extra). Wear clothes that can get holes since fires may throw embers.

**Contact, cancellation and RSVP info:** If you plan to come please email [bridget.rathman@wisconsin.gov](mailto:bridget.rathman@wisconsin.gov) or call 608-434-2488. If the workday is cancelled a message will be left at this number at least 2 hours in advance. If there is no cancellation message the workday will go as planned.
